Project Management in the Trenches

1 Professional Development Unit Awarded
1 Education Hour

Join us to hear about the challenges Project Manager's face on mid and large scale projects and programs as dealt with by a leading consulting firm. Tom Flynn is the VP of Consulting Services at Advanced Management Services, Inc. (AMS) and over sees all of the firm's client programs. His experiences can help you avoid and/or correct the pitfalls inherent to mid/large scale project initiatives.
